Medicare and Much More

Provider and Pharmacy Directory
Directorio de Proveedores y Farmacias

Section 1 – Introduction

Providers

This directory provides a list of MMM Medicare and Much More network providers. To get detailed information about your healthcare coverage, please see your Evidence of Coverage (EOC).

Choosing a Primary Care provider?

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Physician (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your healthcare services from your PCP. A PCP is a physician with a specialty in family medicine, general practice, geriatrics or internal medicine to whom you will have direct access without a referral and who has a direct or indirect contractual arrangement with the plan. A PCP provides you with initial and primary care services, maintains the continuity of your medical care and initiates and manages referrals to other network providers as required by your medical needs or as established in your coverage.

The plan requires a referral to visit some specialists. Please read your Summary of Benefits, the Evidence of Coverage or contact our Member Services Department at the numbers listed in the first and last page of this directory for more details.

The "network providers" listed in this directory have agreed to provide you with your health care, vision and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral or preauthorization. To receive services from a non-participating provider you will require prior authorization from the plan.

How do you find MMM Medicare and Much More providers and pharmacies that serve your area?

The PCPs, Specialists, Hospitals, Facilities & other physicians listed in our Directory are grouped by County, and then by specialty. All are sorted alphabetically. For each PCP an 8-digit number called PLID will be identified. The PLID is the Provider Location Identifier that is used to identify the specific provider to a specific address. You can also identify them with the following icon to know whether the provider is certified by the American Board of Medical Specialties in their specialty and if they also accept Medicaid.

* Board Certified Provider
+ Accepts Medicaid

The pharmacies listed in our Directory are grouped by County and specialty. You can also identify them with the following icon to know whether the pharmacy offers 90-day supply, Part B Drugs and Specialty Drugs.

The Provider service days can be identified in the following way:
Monday – **M**, Tuesday – **T**, Wednesday – **W**, Thursday – **Th**, Friday – **F,** Saturday – **S**, Sunday – **Su**

For more information about network providers, including qualifications and experience, call Member Services at 1-844-212-9858 (toll free) or 711 TTY (hearing impaired), available from 8:00 a.m. to 8:00 p.m., seven days a week from October 1st through March 31st, and Monday through Friday from April 1st through September 30th. You may also visit us at our website at www.mmm-fl.com to get updated information related to changes in the plan's provider networks or to find out who is accepting new patients in their medical practice. This directory is not an explanation of your benefits and is not intended to replace the Evidence of Coverage.

If you have questions about MMM Medicare and Much More, require assistance when selecting or changing a PCP or with the pharmacy network, please call our Member Services Department at 1-844-212-9858 (toll free) or 711 TTY (hearing impaired), available from 8:00 a.m. to 8:00 p.m., seven days a week from October 1st through March 31st, and Monday through Friday from April 1st through September 30th. You can also visit www.mmm-fl.com.

What should you do if you have a medical emergency?

In an emergency, you should get care immediately. You can dial 9-1-1 on your phone for immediate help or go directly to the nearest emergency room or hospital. You do not have to contact your PCP or get the plan's approval in an emergency. The Evidence of Coverage indicates what steps to follow if you have a medical emergency or urgent need for care. You must use network providers except in an emergency or during urgent care situations or for out-of-area renal dialysis or other services. Urgent care is when you need medical help, but your health is not in serious danger. Your PCP can handle urgent care needs.

What should you do if it is not a medical emergency?

If you need to urgently talk with your PCP or receive urgent medical care when the PCP's office is closed, call the PCP's telephone number for their after-hour services.

See your Evidence of Coverage for more information about what to do if you have an urgent need for care. Keep in mind that if you have an urgent need for care while you are in the service area, we expect you to obtain this care from network providers. In most cases, we will not pay for urgently needed care that you receive from a non-participating provider while you are in the plan's service area. (Our service area is listed below.)

You can obtain most services on your own, without the need for prior authorization

You will receive most of your routine or basic care from your PCP and your PCP will coordinate the rest of the covered services you receive as a plan member. If you obtain services from any non-participating physician, hospital, or other healthcare provider without prior authorization (approval in advance), you may be required to pay for these services yourself.

You can obtain some services on your own, without approval in advance from your PCP or MMM Medicare and Much More. These include:

- Routine women's healthcare, which includes breast exams, mammograms (breast x-rays), Pap tests, and pelvic exams.
- Flu shots and pneumonia vaccinations (as long as you obtain them from a plan provider).
- Emergency services, whether you receive these services from plan providers or non-plan providers.
- Urgently needed care that you receive from non-plan providers when you are temporarily outside the plan's service area. Also, urgently needed care that you receive from non-plan providers when you are in the service area but, because of unusual or extraordinary circumstances, the plan providers are temporarily unavailable or inaccessible. (Below we explain the plan's service area.)

- Renal dialysis services that you receive when you are temporarily outside the plan's service area. If possible, please let us know where you are going to be before you leave the service area so we can help arrange for you to have maintenance dialysis while outside the service area.

Getting care when traveling or away from the Plan's service area

If you need care when you are outside the service area, your healthcare coverage is limited. The only services we cover when you are outside our service area are: medical emergency, including maintenance care and hospital care after you are stable (known as post stabilization care), urgently needed care, renal dialysis (kidney), and care that MMM Medicare and Much More or a plan provider has approved in advance. If you have any questions regarding whether a service is covered when you travel, call our Member Services Department at 1-844-212-9858 (toll free) or 711 TTY (hearing impaired), available from 8:00 a.m. to 8:00 p.m., seven days a week from October 1st through March 31st, and Monday through Friday from April 1st through September 30th.

What if I use non-plan providers to obtain my covered services?

"Non-participating providers" are providers that are not part of MMM Medicare and Much More Provider Network. If you use non-plan providers, you may have to pay more.

To receive services from a non-participating provider you will require prior authorization from the plan.

If you obtain routine care from non-participating providers, neither Medicare nor MMM Medicare and Much More will be responsible for the costs except for ambulance services, emergency care, including hospital care after you are stable (post stabilization), maintenance care, urgently needed care, renal dialysis (kidney), and any services which were ordered or covered through an appeals process.

What should I do if I receive a bill from a non-participating provider that I think should be paid by MMM Medicare and Much More?

We cover certain healthcare services that you receive from non-participating providers. These include; care for a medical emergency, urgently needed care, when network providers are temporarily unavailable or inaccessible (e.g., when you are temporarily outside of the plan's service area), renal dialysis (kidney) that you receive when you are outside the plan's service area, when network providers are unavailable, healthcare services preauthorized by MMM Medicare and Much More, and any services which were ordered or covered through an appeals process. If a non-participating provider requires you to pay for any covered service, please contact our Member Services Department at the numbers listed in the first and last page of this directory. You may also write to us at the following address:

MMM MEDICARE AND MUCH MORE
P. O. BOX 260430
MIAMI, FL 33126

You should never pay any non-plan provider more than what the plan is allowed by Medicare. The provider has a right to obtain their fees, but they do not have the right to obtain them from you. Ask the non-plan provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you receive a bill for the services, you can send the bill to us for payment. We will pay your non-plan provider for our share of the bill and will let you know if you need to pay any amount.

Pharmacies

This booklet provides a list of MMM Medicare and Much More network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and MMM Elite, MMM Extra or MMM Platinum formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under MMM Medicare and Much More only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription, you can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/1/2020.. For the most current list, please contact us. Our contact information appears in the first and last page of this directory.

Proveedores

Este directorio contiene una lista de los proveedores de la red de MMM Medicare y Mucho Más. Para obtener información más detallada relacionada con su cubierta de cuidado de salud, por favor refiérase a su Evidencia de Cubierta (EOC por sus siglas en inglés).

¿Escogiendo a su Médico Primario?

Usted tendrá que seleccionar uno de nuestros proveedores de la red incluidos en el directorio como su médico primario (PCP, por sus siglas en inglés). El término "PCP" se utilizará a lo largo de este directorio. Generalmente, usted debe obtener su cuidado de salud a través de su PCP. Un PCP es un médico con especialidad en medicina interna, medicina de familia, medicina general o geriatría, al cual tendrá acceso directo sin referido y quien tiene un acuerdo contractual directo o indirecto con el plan. Un PCP le provee servicios de cuidado inicial y primario, mantiene la continuidad de su cuidado médico e inicia y maneja los referidos a otros proveedores de la red según requiera su necesidad médica o según lo establecido en su cubierta.

El plan requiere referidos para las visitas a ciertos especialistas. Para más detalles, lea su Resumen de Beneficios, Evidencia de Cubierta o llame a nuestro Departamento de Servicios al Afiliado a los números que se encuentran en la primera y última página de este directorio.

Los "proveedores de la red" que se encuentran en este directorio han acordado ofrecerle a usted su cuidado de salud, visión y dental. Usted podrá visitar a cualquiera de nuestros proveedores del plan que se encuentran en este directorio; sin embargo, podría necesitar referido o preautorización para algunos servicios. En algunos casos, usted puede obtener servicios cubiertos por proveedores no contratados por el plan. Para recibir servicios de proveedores no contratados por el plan, se le requiere preautorización del plan.

¿Cómo puede conseguir proveedores y farmacias de MMM Medicare y Mucho Más que ofrecen servicio en su área?

Los PCP, especialistas, hospitales, facilidades y otros proveedores listados en nuestro directorio están agrupados por Condado y luego por especialidad. Todos están ordenados alfabéticamente. Para cada PCP se identificará un número de 8 dígitos llamado PLID. El PLID que por sus siglas en ingles es el "Identificador de ubicación del proveedor" o identificador de localidad del proveedor se usa para identificar a una localidad específica para cada proveedor que participa como Médico Primario. Usted también podría identificar con el siguiente ícono si el proveedor está certificado por la Junta Americana de Especialidades Médicas *(American Board of Medical Specialties)* en su especialidad y si también aceptan Medicaid.

* Proveedor certificado por la Junta Americana de Especialidades Médicas.
+ Acepta Medicaid

Los días de servicio de los proveedores se identifican de la siguiente manera:
lunes – **l**, martes – **ma**, miércoles – **m**, jueves – **j**, viernes – **v**, sábado – **s**, domingo – **d**

Las farmacias mencionadas en el Directorio están agrupadas por Condado y por especialidad. Usted también podrá identificar con el siguiente ícono si la farmacia ofrece un suplido de 90 días, medicamentos de la Parte B y Medicamentos de especialidad.

Para más información sobre los proveedores del plan, incluyendo las cualificaciones y experiencia, llámenos a Servicios al Afiliado al 1-844-212-9858 (libre de cargos), o al 711 TTY (audio impedidos), disponible de 8:00 a.m. a 8:00 p.m., siete días a la semana desde el 1 de octubre hasta el 31 de marzo, y de lunes a viernes desde el 1 de abril hasta el 30 de septiembre. También puede visitar nuestra página electrónica www.mmm-fl.com para obtener información actualizada relacionada con los cambios en las redes de proveedores del plan o conocer cuáles están aceptando pacientes nuevos en su práctica. Este directorio no es una explicación de sus beneficios y no pretende reemplazar la Evidencia de Cubierta.

Si tiene preguntas sobre MMM Medicare y Mucho Más o necesita ayuda para seleccionar un PCP, o con la red de farmacias, por favor llame a nuestro Departamento de Servicios al Afiliado al 1-844-212-9858 (libre de cargos), o al 711 TTY (audio impedidos), disponible de 8:00 a.m. a 8:00 p.m., siete días a la semana desde el 1 de octubre hasta el 31 de marzo, y de lunes a viernes desde el 1 de abril hasta el 30 de septiembre. También puede visitar nuestra página en www.mmm-fl.com.

¿Qué hacer si tiene una emergencia médica o una necesidad urgente de cuidado?

En una emergencia, usted debe recibir cuidado inmediato. Usted no tiene que comunicarse con su PCP o recibir aprobación del plan durante una emergencia. Puede marcar 9-1-1 en el teléfono para ayuda inmediata o acudir directamente a una sala de emergencias, hospital o centro de cuidado urgente más cercano. La Evidencia de Cubierta le indica los pasos que debe seguir en caso de que tenga una emergencia médica o necesidad de cuidado urgente. Usted debe utilizar proveedores del plan excepto en casos de emergencia o situaciones de cuidado de urgencia, o para diálisis renal u otros servicios fuera del área del plan. Si usted obtiene cuidado rutinario de proveedores fuera de la red del plan, ni Medicare ni MMM Medicare y Mucho Más serán responsables por los costos.

¿Qué hacer si no es una emergencia médica?

Si necesita hablar urgentemente con su PCP o recibir cuidado médico urgente cuando la oficina de su PCP está cerrada, llame al número telefónico del PCP para los servicios fuera de horas de oficina.

Refiérase a su Evidencia de Cubierta para más información en cuanto a los pasos que debe tomar si tiene una necesidad de cuidado urgente. Recuerde que si necesita cuidado de urgencia mientras está en el área de servicio, debe recibir este cuidado de proveedores del plan. En la mayoría de los casos, no pagaremos por el cuidado de urgencia que reciba de un proveedor no contratado por el plan mientras usted esté en el área de servicio del plan. (Más adelante mencionamos nuestra área de servicio.)

Usted puede recibir la mayoría de los servicios por sí solo, sin necesidad de preautorización

Como se explicó anteriormente, usted recibirá la mayoría de su cuidado básico o rutinario de su PCP, y su PCP coordinará el resto de los servicios cubiertos que usted recibe como afiliado del plan. Si recibe servicios de cualquier proveedor no contratado, hospital u otro proveedor del cuidado de la salud fuera del plan sin preautorización (autorización previa), pudiera estar obligado a pagar estos gastos por su cuenta.

Usted puede recibir la mayoría de los servicios por sí solo, sin necesidad de preautorización de su PCP o de MMM Medicare y Mucho Más. Estos incluyen:

- Cuidado rutinario de la mujer que incluye exámenes del seno, mamografías (rayos X del seno), citología (PAP) y exámenes pélvicos
- Inyecciones contra la gripe y la pulmonía (siempre y cuando las reciba de un proveedor del plan)
- Servicios de emergencia, ya sea de proveedores del plan o proveedores no contratados por el plan
- Cuidado necesario de urgencia que reciba de proveedores no contratados por el plan cuando usted se encuentra provisionalmente fuera del área de servicio del plan. También, cuidado urgente que reciba de proveedores no contratados por el plan cuando está dentro del área de servicio, pero, por circunstancias inusuales o extraordinarias, los proveedores del plan estuvieran temporalmente inaccesibles o no estuvieran disponibles. (Más adelante explicamos el área de servicio del plan.)
- Servicios de diálisis renal que reciba cuando esté temporalmente fuera del área de servicio del plan. Si es posible, por favor infórmenos antes de salir del área de servicio en dónde se encontrará, para poder hacer los arreglos de modo que reciba su diálisis de mantenimiento mientras se encuentre fuera del área de servicio.

Para recibir cuidado cuando viaja o está fuera del área de servicio del Plan

Si usted necesita cuidado mientras se encuentra fuera del área del servicio, su cubierta de cuidado de salud es limitada. Los únicos servicios fuera del área de servicio del plan que cubrimos son: cuidados de emergencia, incluyendo cuidado de mantenimiento y cuidado hospitalario después de que se estabilice su condición (conocido como cuidado de post estabilización), cuidado necesario de urgencia, diálisis renal (riñón), y el cuidado que MMM Medicare y Mucho Más o un proveedor del plan le haya aprobado por adelantado. Si tiene alguna pregunta sobre si un servicio está cubierto cuando viaja, llame a nuestro Departamento de Servicios al Afiliadoal 1-844-212-9858 (libre de cargos), o al 711 TTY (audio impedidos), disponible de 8:00 a.m. a 8:00 p.m., siete días a la semana desde el 1 de octubre hasta el 31 de marzo, y de lunes a viernes desde el 1 de abril hasta el 30 de septiembre.

¿Qué ocurre si utilizo proveedores no contratados para obtener servicios cubiertos?

"Proveedores no contratados" son proveedores que no son parte de la red de proveedores de MMM Medicare y Mucho Más. Si usted utiliza proveedores no contratados, podría pagar más.

No cubrimos cuidado de rutina o servicios que usted obtenga de proveedores no contratados por el plan, ni Medicare ni MMM Medicare y Mucho Más serán responsables por estos costos, excepto servicios de ambulancia, cuidado de emergencia, incluyendo cuidado hospitalario después de que se estabilice su condición (post-estabilización), cuidado de mantenimiento, cuidado necesario de urgencia, diálisis renal (riñón), y cualquier servicio ordenado o cubierto a través de un proceso de apelación.

¿Qué debo hacer si recibo una factura de un proveedor no contratado por el plan que yo entienda debe ser pagada por MMM Medicare y Mucho Más?

Cubrimos ciertos servicios de cuidado de salud que usted recibe a través de proveedores no contratados. Éstos incluyen; cuidado de emergencia, cuidado necesario de urgencia, cuando los proveedores de la red no están disponibles temporalmente o no están accesibles (por ejemplo, cuando usted se encuentra temporalmente fuera del área de servicio del plan), diálisis renal (riñón) que usted recibe cuando está fuera del área de servicio del plan, cuando proveedores de la red no estén disponibles, servicios de salud preautorizados por MMM Medicare y Mucho Más y cualquier servicio ordenado o cubierto a través de un proceso de apelación. Si un proveedor no contratado le requiere el pago por algún servicio cubierto, por favor comuníquese con nuestro Departamento de Servicios al Afiliado a los números que se encuentran en la primera y última página de este directorio. También nos puede escribir a la siguiente dirección:

MMM MEDICARE Y MUCHO MÁS
P. O. BOX 260430
MIAMI, FL 33126

Usted nunca debe pagarle a ningún proveedor no contratado más de lo que Medicare le autoriza al plan a pagarle a ese proveedor. El proveedor tiene el derecho de recibir sus honorarios, pero no tiene el derecho de cobrárselos a usted. Indíquele al proveedor no contratado que nos facture primero a nosotros. Si usted ya ha pagado por los servicios cubiertos, le reembolsaremos nuestra parte del costo. Si usted recibe una factura por los servicios, puede enviarnos la misma para el pago. Le pagaremos a su proveedor no contratado nuestra parte de la factura y le informaremos si usted necesita pagar alguna cantidad.

Farmacias

Este directorio provee una lista de las farmacias de la red de MMM Medicare y Mucho Más. Para obtener una descripción completa de su cubierta de medicamentos recetados, incluyendo cómo obtener sus medicamentos, por favor refiérase a su Evidencia de Cubierta y al formulario de medicamentos de MMM Elite, MMM Extra, o MMM Platino.

Nosotros le llamamos a las farmacias en esta lista "farmacias de la red" porque hemos hecho arreglos con ellas para proveer medicamentos recetados a los afiliados del plan. En la mayoría de los casos, sus medicamentos están cubiertos por MMM Medicare y Mucho Más sólo si estos son despachados por una farmacia de la red o a través de nuestro servicio de farmacia de orden por correo. Cuando usted visite una farmacia, no está obligado a continuar visitando la misma farmacia para obtener sus medicamentos; puede cambiarse a otra farmacia de nuestra red. Nosotros despacharemos sus medicamentos en farmacias fuera de la red bajo ciertas circunstancias según se describe en su Evidencia de Cubierta.

Puede que no todas las farmacias estén listadas en este directorio. Hay farmacias que pueden haber sido añadidas o eliminadas de la lista después de imprimirse este directorio. Esto significa que las farmacias listadas a continuación pueden no estar en la red, o puede haber nuevas farmacias de nuestra red que no estén en la lista. Esta lista está actualizada a la fecha del 10/1/2020.. Para obtener la misma más actualizada, por favor póngase en contacto con nosotros. Nuestra información de contacto aparece en la primera y última página de este directorio.

Usted puede recibir los medicamentos recetados por correo en su hogar a través de nuestro programa para el envío de órdenes por correo ReadyFill at Mail®. Para más información, por favor llame a CVS Caremark Mail Order Pharmacy al 1- 844-268-2115 (libre de cargos) (usuarios de TTY deben llamar al 711), o diríjase a la sección de las órdenes por correo de este directorio de farmacia.

Si usted tiene preguntas sobre cualquier asunto mencionado anteriormente, incluyendo las instrucciones de cómo someter reclamaciones para las recetas que le han sido despachadas en una farmacia fuera de nuestra red, por favor vea la primera y última página de este directorio para obtener nuestra información de contacto.

La farmacia se comunicará con usted antes de enviar cada repetición para asegurarse de que necesita más medicamento, puede cancelar envíos programados si tiene suficiente medicamento o si su medicamento ha cambiado. Si decide no utilizar nuestro programa de envíos automáticos, por favor comuníquese con la farmacia 15 días antes de cuando usted piense que los medicamentos que tiene a la mano se estarán terminando, para asegurar que la próxima orden sea enviada a usted a tiempo.

Para optar cancelar su servicio del programa ReadyFill at Mail® que prepara sus repeticiones por correo de forma automática, por favor llame a CVS Caremark Mail Order Pharmacy al 1- 844-268-2115 (libre de cargos) (usuarios de TTY deben llamar al 711).
