

2022 D-SNP MODEL OF CARE TRAINING ATTESTATION

The Centers for Medicare & Medicaid Services (CMS) requires that all contracted medical providers and staff receive basic training about the Special Needs Plans (SNPs) Model of Care. The SNPs Model of Care is the plan for delivering coordinated care and care management to special needs members.

All Medicare network providers, including their employees, who will care for MMM of Florida members are required to complete MMM’s Dual Eligible Special Needs Plans (D-SNPs) Model of Care training upon on-boarding and annually thereafter, as mandated by CMS.

I certify that I am an authorized representative of my organization with direct or indirect responsibility over all employees, Board of Directors, officials, contracted personnel, providers/physicians, hospitals, contractors, subcontractors, and vendors subscribed in my organization, who have direct or indirect contact with Medicare businesses. I certify that I have received from MMM of Florida, Inc. the CMS Model of Care training module.

I certify that these documents will be used without modification and will be distributed to all employees and subcontractors at the time of hiring/contracting, and annually thereafter. I certify that I will maintain records for at least 10 years after training completion and will disclose them to MMM of Florida, Inc. upon request. Please complete the following information. If you do not complete this section, your attestation will be deemed incomplete and you will be out of compliance with the requirements.
